

Reed Sinopharm Exhibitions (RSE)

The leading exhibition and conference organizer dedicated to the health, beauty, happiness and education sectors in China.

RSE Purpose

Build a world of opportunities

国药集团
SINOPHARM

China National Pharmaceutical Group Corporation (SINOPHARM)

Sinopharm, a major health and pharmaceuticals company directly administered by the State-owned Assets Supervision and Administration of the State Council, has built a fantastic chain in the health industry, integrating R&D, manufacturing, logistics and distribution, retail, medical health, technology, conventions & exhibitions, international operations, financial services and others. We have more than 1000 subsidiaries, as well as 6 listed companies (Sinopharm Holding, Sinopharm Stock, China National Accord, Tiantan Biological, Shyndec, China TCM). In 2021, the group achieved business revenues of more than 700 billion RMB to become the only Chinese pharmaceutical company ranked among the Fortune Global 500 (80th on the 2021 list). The Group has been maintaining a leadership role in China's health and medical industry in terms of scale, benefits and comprehensive strength.

In the business of
building businesses

RX Global

RX is in the business of building businesses for individuals, communities and organisations. We elevate the power of face to face events by combining data and digital products to create magical experiences and continual connections. We enable customers to learn about markets, source products and complete transactions at over 400 events in 22 countries across 43 industry sectors.

RX is part of RELX, a global provider of information-based analytics and decision tools for professional and business customers.

China Hospital Construction Conference & International Hospital Build and Infrastructure Exposition (CHCC)

is the premier global event for hospital construction, providing unparalleled opportunities for product sourcing, knowledge acquisition, and professional networking. At CHCC, hospital decision-makers, government health officials, C-level executives, agents, and design institutions gain vital insights into the latest trends and best practices in planning, design, construction, and management of hospital spaces, all while fostering collaboration and driving innovation.

CHCC Conferences
